Würth Louis and Company Opens New Flagship Store

New retail concept offers cabinetmakers a one-stop-shop for all their woodworking needs

Anaheim, CA – January 20, 2012

Würth Louis and Company announces the Grand Opening of their new flagship store conveniently located in Anaheim, California near the 91 and 57 freeways. The new Anaheim store, which is now open, features an extensive offering of quality products from top manufacturers such as Blum, Rev-A-Shelf, Knape & Vogt, M.L. Campbell, Reeve, Fastcap, and Würth all available off-the-shelf for the professional cabinet maker and contractor.

The store opening marks a first for Würth Louis and Company, with numerous other locations slotted for 2012. “This store brings together our most innovative products under one roof, offering the ultimate in service, convenience and assortment for our customers,” said Würth Louis and Company President and CEO Tom Mauss.

“This unique retail-type concept raises the bar for distributors within the woodworking industry and sets us apart from our competition,” said Vito Mancini, Würth Louis and Company Chief Operating Officer. Würth Louis and Company looks forward to serving the professional cabinetmaker and contractor with this new shopping experience for years to come.

The Anaheim store is open Monday through Friday 8am to 4:30pm, and is located at 2970 E. La Palma Avenue, Unit A, Anaheim, California 92806. For more information, please call 800-422-4389 and press 1 for inside sales.

Headquartered in Brea, California, Würth Louis and Company is a leading provider of surfacing, hardware, shop supply, woodworking machinery and coating products. The Würth Group is the world's largest trading company of fasteners and assembly technology with over 410 companies operating in 84 countries. Würth Louis and Company continues to be a proven source for cabinetmakers, woodworkers and for architects and designers that specify our products with 18 locations around the Western United States.
